Dear Athlete and Parents,

My name is Jodi Carda and I am your new Fusion basketball coach for the 2023-24 season. I'm super excited about this season. I believe we have a great group of girls that have put in some hard work during the off season. I'm a very competitive coach, which is putting it delicately. I came from a program that was very successful on and off the court. My plan is to bring that into the Fusion basketball program.

Looking in from the outside it seems that I have been blessed with many athletic individuals this season. As we develop our basketball skills and improve to a level that matches our athleticism, I have no doubt that our season will be marked with success.

I, as a coach, believe in TEAM STANDARDS. 1. Work Hard 2. Have a good attitude 3. Be a good teammate. I expect my players to do these three things daily.

I, as a coach, believe in teamwork and that everyone has something positive to add to the team, no matter what skill level. Attitude and working hard for the team's success is paramount in my coaching philosophy.

I am looking forward to the start of the season and our team will offer an exciting fast-paced brand of basketball.

Thursday, November 17 will be the first day of practice for the varsity and junior varsity. It will occur in Richey after school. All athletes should be prepared to work hard and GET AFTER IT! We will practice a couple Saturdays before our first game.

My assistant is Malori Beery. Malori played for Harlowton from 2009-2013. She will be a great asset to the team.

Also, this year I would like to have a pre-game dinner once a week! Our first game is Thursday December 7 against Savage. So, pre-game dinner will be Wednesday after practice.

I thank you for your time and everything you give to our basketball team.

Coach Jodi Carda
